

The Otium

THE ANCIENT ROMANS KNEW THE IMPORTANCE OF LEISURE TIME, JUST AS THE ITALIANS DO TODAY. AND IN LATIN, THEY HAD A SPECIAL WORD FOR IT: “OTIUM” IS TIME THAT IS BOTH ACTIVE AND IDLE - A TIME FOR ENJOYMENT AND RELAXATION THAT CAN NURTURE OUR CREATIVITY, WELL-BEING AND PRODUCTIVITY. TIME OFF, FOR A BETTER TIME ON.

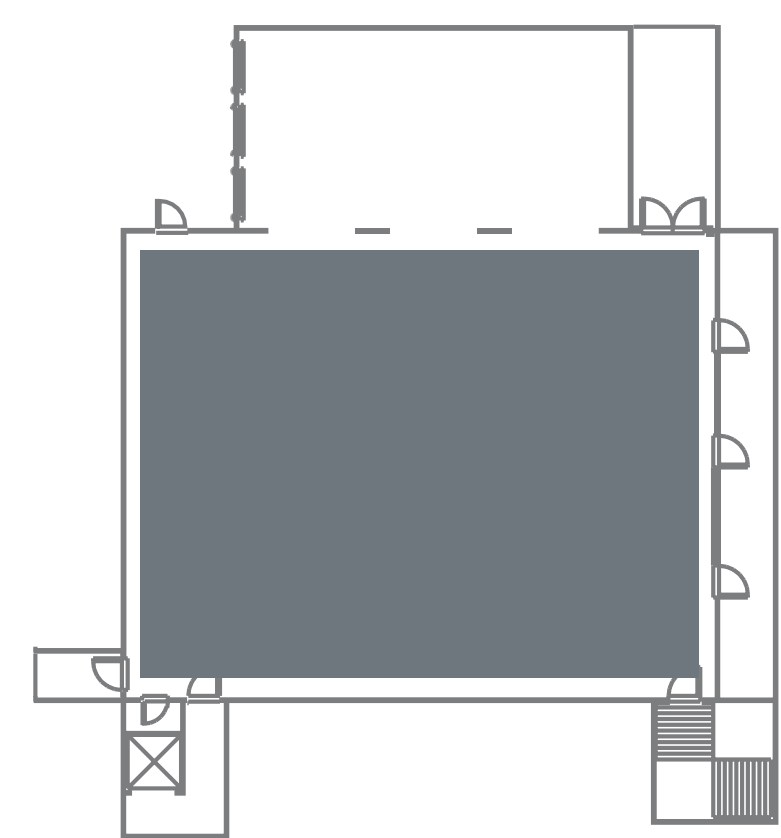

WE CREATED THE OTIUM SPACE FOR EXACTLY THIS - SPECIAL MOMENTS AWAY FROM THE SHORT-TERM PERFORMANCE DEMANDS OF DAILY LIFE, TO KICK BACK, DANCE, AND TO ESCAPE.
