

PRIVATE VENUE HIRE

TheMerode, your home away from home

‘TheMerode is an international members’ club where culture meets business, in the Capital of Europe.

More than a social space, it is an agora where thought leaders, entrepreneurs, and creative visionaries connect to exchange, reflect, and inspire one another. Our rich programme of cultural events, conferences, talks, themed evenings and celebrations brings our members together, blending business opportunities with pleasure, curiosity, and joie de vivre.

This next gen project thrives on having impact. A club where authentic, real, and diverse people meet - across genders, and cultures. Open-minded by nature, we welcome different perspectives, encouraging curiosity and passion.

At TheMerode, business opportunities are enriched by cultural encounters, intellectual conversations, and inspiring ideas. It is a circle that values you, elevates you, and connects you to our community.

We host new exhibitions that change every six months. The photos in this document show lounges decorated in a certain style. Please note that the layout or decoration may have changed between the time the photos were taken and the time of your visit.

Curated Spaces

TheMerode is home to relaxed and collaborative meeting rooms, small and large event spaces, and both casual and fine dining. From quiet focus to lively exchange, every detail is thought out to create a space of freedom, networking, and self-expansion. Architecture, curated hospitality, services, workspaces, high end finishes, all englobe the purpose of TheMerode: being a launchpad for new connections, collaborations and ideas.

At TheMerode, architecture fosters connection and inspires new ideas — a space where grand thinking is shaped by thoughtful design and refined details.

OUR SPACES

Please note that privatisation of our spaces during the week is a privilege reserved for TheMerode individual members, corporate members or day members.

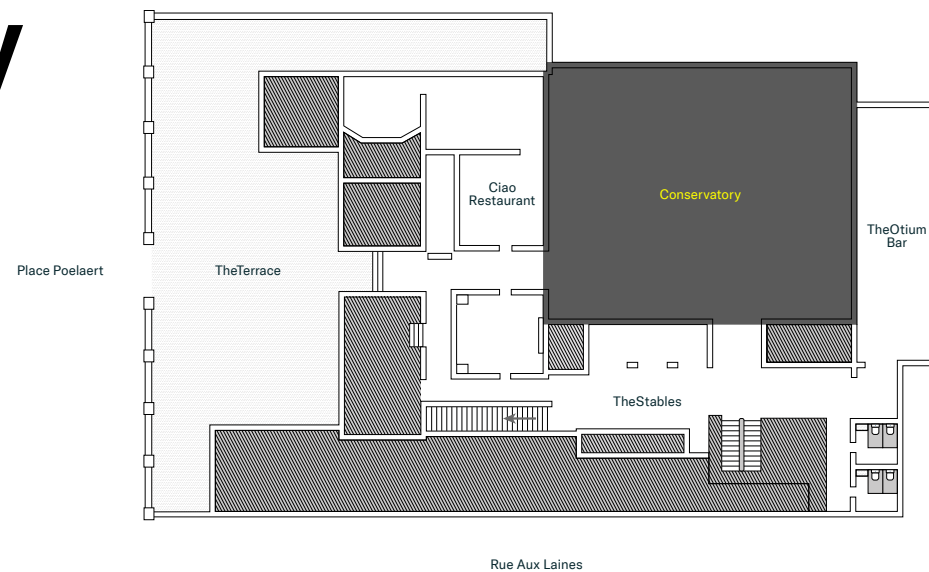

Ground floor

The ground floor of our club brings together culture, atmosphere, and celebration. At its center is the Conservatory, a bright, glass-ceilinged event space available for private gatherings. Enjoy Italian classics at Ciao restaurant or modern Belgian cuisine at The Stables Café. For a more laid-back vibe, TheOtium Bar offers a cozy library-lounge with light bites, cocktails, and live jazz.
